

# UNLEASH THE POWER OF AN AVALANCHE!

Brent® Avalanche® grain carts have set powerful standards for unloading speed, convenience, capacity and durability since 1998. That ongoing commitment continues with the 96 series.

- Capacities of 2,000, 1,500, 1,300 and 1,100 bushels
- Unloading speed up to 1,000 bushels per minute
- Pivoting unloading auger with more than 5' height adjustability; up to 8'11" extendable reach

See your nearest Brent dealer today for complete details on all the 96 series models or visit the website at [brentequip.com](http://brentequip.com).
