

BRENT

DESIGNED TO PERFORM
BUILT TO LAST

HARVEST WITH THE POWER OF BRENT.

GRAIN HANDLING

With more than four decades of experience building grain handling products, Brent® has earned a reputation for innovation and quality. From the dual-auger **Avalanche**® and the single-auger **V-Series** grain carts to **The Grain Train**® wagons and more, we push the limits of technology to create products you can depend upon each and every harvest.
