THE GRAIN TRAIN® HI-CAPACITY WAGONS

GRAIN HANDLING

When it comes to moving grain during harvest, you don't have time to waste. That's why smart farmers choose **The Brent® Grain Train® 57-Series** wagons. With the patented door wheel on models 757, 657 & 557 that quickly adjusts to left or right side of the unloading door, Brent Grain Train wagons will make your harvest quicker and smoother from start to finish. There's no better choice for grain transport and efficiency. The Grain Train wagons have the most features on the market and will keep you rolling through your busiest time of the year.
