

V-Series Grain Carts

SEE the Difference

Dealer Imprint

See the difference this harvest season with the Brent V-Series corner-auger grain cart. Designed to be clearly visible from the side window of your tractor, the V-Series auger is further forward than any other cart on the market and features a completely vertical downspout for increased control when unloading. Invest in the best. Take the next step in your harvest journey with Brent V-Series grain carts. For more information, see your nearest Brent dealer or visit brentequip.com.

Brent V-Series corner-auger grain carts are most advanced on the market.

- 750 to 1,500-bushel capacities
- Unload up to 650 bushels per minute
- Four-way downspout for precise grain placement
- Steep tank slopes and recessed auger sump for complete cleanout
- Patented soft-start auger connection and computer-balanced flighting for smooth operation
- Available with 42" wide Equalizer or 36" wide tracks or high-flotation single tires depending on model
