35-Series Single-Auger Grain Carts | Models 1135 • 1035 • 835 • 735

If you're looking for a valuable and time-saving addition to your farming operation, look to the Killbros lineup of side-folding, single-auger grain carts. The 35-Series features fast unloading speeds up to 500 bushels per minute and greater auger reach that permits easy filling of your trucks or wagons. All 35-Series models feature value-enhancing and economical features that have been associated with the Killbros name for more than 60 years!

- Hopper features a **sump design** for greater clean out and **capacities** of 1100, 1000, 850 and 750 bushels.
- **20" auger** on models 1135/1035 unload up to 500 bushels per minute and **18" auger** on models 835/735 unload up to 400 bushels per minute.
- The two-way hydraulically-operated **downspout** allows the operator to easily top off trucks with limited tractor movement.
- Choose from high-flotation single wheels and tires, 36" wide tracks or the patented 42" wide Equalizer track **undercarriage** depending on model.
