PARKER 54-SERIES

Double-Auger Grain Carts

WORKHORSE POWER WITH ADDED VERSATILITY

When you need a grain cart with large carrying capacities, lightning fast unloading speeds and added unloading versatility, look to the Parker **54-Series** lineup of double-auger grain carts. The double-auger design provides a low-profile tank, greater unloading speeds and enhanced cleanup, even in high-moisture grain.

- Adjustable vertical auger and two-way downspout for greater unloading versatility
- Capacities of 1100, 1300, 1600 and 2000 bushels with low-profile tank design
- Unload up to 1,000 bushels per minute to get back to the combine faster
- Choose from high-flotation single wheels and tires, walking tandem duals or tracks for the greatest flotation

MAXIMIZE YOUR HARVEST POTENTIAL.
