# PARKER GRAIN HANDLING EQUIPMENT

Grain Carts and Hi-Capacity Grain Wagons

## THE TRUSTED NAME IN MOVING GRAIN FOR MORE THAN 50 YEARS!

During the busy harvest season, you need an equipment partner that you can trust to get the job done. Parker grain handling equipment has built the reputation of being the trusted name in moving grain. The 54-Series of double-auger grain carts give operators large carrying capacities with unloading speeds that get you back to the combine faster. The 42-Series and 24-Series of single, corner-auger grain carts feature the greatest auger reach and height and utilize a sump design in the tank for enhanced cleanout. When you're ready to haul your hard work to the bin or elevator, the Parker 05-Series of hi-capacity grain wagons help you get the job done quickly and without worry.
