

## 3-POINT FLEXIBILITY WITH BIG-BOOM COVERAGE

topairequip.com

Only Top Air® 3-point sprayers combine the advantages of big-boom performance with exceptional maneuverability for operator convenience and precision placement. All 3-point sprayers feature a powder coated frame and boom for a long-lasting finish and a compact fold design for easy transport from field-to-field.

### 600-Gallon Capacity

- 50-gallon rinse tank
- Hydraulic drive centrifugal pump and electric agitation control
- Standard 90' hydraulic bi-fold, self-leveling boom with 3- or 5-section boom shutoffs
- 63" hydraulic vertical height control for easier spraying of taller crops

### 300-Gallon Capacity

- Outer wing breakaway
- 45' manual cross-fold boom
- 45' or 60' hydraulic cross-fold boom which includes vertical height control
