

BULK HANDLING VERSATILITY

GRAVITY BOX
MODEL 325

When you think about a gravity wagon assembly, you shouldn't just think of hauling grain. You should think about bulk handling versatility including feed, seed and fertilizer! Unverferth **gravity boxes**, **running gears** and **wagon assemblies** are the most versatile and can help you get the job done.

Gravity Boxes

- Capacities range from 190 to 400 bushels
- Low center of gravity and balanced weight distribution for stable towing
- Rack and pinion mechanism on the door wheel permits easy opening

Running Gears

- Carrying capacities range from 13-ton to 8-ton
- Stake pockets and adjustable wheelbase to match a variety of box sizes
- Length-adjustable coupling pole and heavy-duty spindles and hubs

Gravity Wagon Assemblies

- Match a gravity box with a running gear to make a gravity wagon assembly that is versatile enough to handle all of your grain, seed, feed and fertilizer hauling needs.

RUNNING GEAR
13-TON

HARVEST EFFICIENCY STARTS HERE.
